SPARTAN GROUP HOLDINGS, LLC, <i>et</i>	§	
<i>al.</i> ,	§	Case No. 23-42384
	§	
Debtors. <sup>1</sup>	§	Joint Administration Requested

**ORDER FACILITATING SECTIONS 362(A) AND 542(A) OF THE BANKRUPTCY  
CODE AND PROVIDING PROTECTIONS TO INTERESTED PARTIES**

CAME ON FOR EMERGENCY HEARING the *Debtors' Emergency Motion for Entry of Order Facilitating Sections 362(a) and 542(a) of the Bankruptcy Code* (the "Motion"), filed by Spartan Group Holdings, LLC; Spartan Concrete Construction, LLC; Spartan Engineering Services, LLC; Spartan Equipment Leasing, LLC; Spartan Fabrication Services, LLC; Spartan Metals Distribution, LLC; Spartan Reinforcing, LLC; and Spartan Valley Chili Road, LLC (collectively, the "Debtors"), the debtors-in-possession in the above styled and numbered bankruptcy case (the "Bankruptcy Case").

Finding that service and notice of the Motion was sufficient and appropriate under the circumstances and that the relief requested therein is lawful, appropriate, and provides adequate protection to all interested parties, and that the Court has the jurisdiction and authority to enter this order, including under 11 U.S.C. §§ 105(a), 362(a), and 542(a) in order to carry out the provisions of the Bankruptcy Code, and that this Order does not change any substantive right, law, or obligation, but instead only provides for a mechanism with corresponding protections to facilitate the Bankruptcy Code, to ensure that property of the estate is turned over, and to protect all interests

---

<sup>1</sup> The debtors and the last four digits of the EINs are Spartan Group Holdings, LLC (5865), Spartan Concrete Construction, LLC (5378), Spartan Engineering Services, LLC (9172), Spartan Equipment Leasing, LLC (9972), Spartan Fabrication Services, LLC (1692), Spartan Metals Distribution, LLC (3800), Spartan Reinforcing, LLC (6811), and Spartan Valley Chili Road, LLC (1399).

of the Debtors, their creditors, and any third parties with respect to the subject matter hereon, it is hereby:

ORDERED that the Motion is GRANTED as provided for herein; it is further

ORDERED that, any account debtor or person (each an “Obligor”) who owes any account receivable or other debt (each a “Receivable”) to any of the Debtors, including on account of any construction contract or subcontract, shall comply with 11 U.S.C. 542(a) notwithstanding any purported instruction from any alleged creditor, factor, or buyer of the Debtors’ receivables (each a “Competing Creditor”) to pay the Receivable to them, by paying, as soon as possible,<sup>2</sup> the Receivable to the Debtors into their debtor-in-possession account, and, upon doing the same, such Obligor shall be: (i) deemed for all purposes to have complied with sections 362 and 542 of the Bankruptcy Code with respect to such Receivable; (ii) shall receive a dollar-for-dollar credit against its obligations to the Debtors as provided for in any otherwise applicable contract or agreement; and (iii) and shall have no liability to any Competing Creditor with respect to such Receivable or the transfer of funds to the Debtors, notwithstanding any contrary instruction to pay or transfer the Receivable to such Competing Creditor, provision of the Uniform Commercial Code, or provision of otherwise applicable law to the contrary; it is further

ORDERED that, to comply with the foregoing, the Obligor shall make any payment out only to the Debtors and not to any alleged vendor, subcontractor, or other person to whom the Debtors may owe funds, and each such alleged vendor, subcontractor, or other person may file such claim, including a secured claim, against the Debtors as may be appropriate and may seek such relief from this Court regarding the same as may be appropriate; it is further

---

<sup>2</sup> The payment shall be deemed to be made “as soon as possible” if made within five (5) days of the entry of this Order or a subsequent day that the Debtors agree, in writing, to be as “soon as possible” in their discretion.

ORDERED that any Obligor who does not comply with the above (including by delaying said compliance) shall remain liable to the Debtors and to each Competing Creditor to the extent such liability otherwise exists, including for failure to comply with the Bankruptcy Code, the Uniform Commercial Code, or otherwise, and that the Debtors may immediately sue the same and seek such injunctive relief, attorney's fees, and sanctions for failure to turnover and for violating the automatic stay as may otherwise be applicable and proper; it is further

ORDERED that, with respect to each Receivable that is actually paid by an Obligor to the Debtors pursuant to this Order, each Competing Creditor is ordered and commanded to not interfere with any payment by any Obligor of any Receivable to the Debtors, including by seeking any legal relief regarding the same from any other court, threatening any Obligor with any legal or other action or damages regarding the same, or taking or threatening any action against any person to recover, collect, or obtain such Receivable; provided, however, that nothing in this order limits a Competing Creditor's right to assert in this Court an interest in or claim to the Receivables or against the Debtors under the Bankruptcy Code or any applicable non-bankruptcy law; it is further

ORDERED that all claims, liens, interests and encumbrances (each, an "Interest") to any Receivable the subject of this Order, including any such Interest assertable by any Obligor or Competing Creditor, shall attach to the payment of the Receivable and all proceeds thereof with the same validity, extent, and priority as otherwise exists, and subject to all defenses, claims, and causes of action, regarding the same that the Debtors and their estates may hold; it is further

ORDERED that, to the extent that an Obligor asserts that any of proceeds of the Receivable would be "trust funds" when in the hands of the Debtors, the Obligor shall inform the Debtors of such assertion (including by identifying any alleged beneficiary of the trust funds (other than the

Debtors) and the amount of such alleged trust funds payable to such beneficiary), and, upon the payment of the Receivable to the Debtors (including any such alleged trust fund portion), the Debtors shall hold the portion of such payment asserted to be such trust funds and shall not use the same pending a separate order regarding any alleged use or payment of trust funds, *provided, however*, that if the Debtors agree with respect to any such assertion regarding trust funds, then the Debtors may pay the same to the vendor or subcontractor entitled to such trust funds from such payment from the Obligor without further order of the Court, and the Debtors shall keep an accounting of the same, otherwise, if the Debtors do not agree with the Obligor that the amount owing (or portion thereof) constitutes trust funds, the Debtors shall promptly seek appropriate relief from this Court regarding such alleged trust funds; it is further

ORDERED that nothing in this Order requires any Obligor to release or waive any Interest that it may have with respect to a Receivable or to forgo any remedy that it may have under applicable contract or law (except to the extent superseded by the Bankruptcy Code, and in all events subject to the automatic stay), or to pay over to the Debtors any portion of a Receivable that is disputed by the Obligor, and the payment of any such Receivable under this Order shall remain subject to all such Interests and disputes; it is further

ORDERED that, for the avoidance of doubt, to the extent that any Receivable or the proceeds or payment thereof is “cash collateral” as defined in section 363(a) of the Bankruptcy Code, nothing in this Order authorizes the Debtors to use the same, without prejudice to any request by the Debtors to use the same pursuant to separate motion as may be otherwise appropriate, and the Debtors’ use of “cash collateral” will be governed by separate order; it is further

ORDERED that, for the avoidance of doubt, nothing in this order grants any person, including any Obligor, any relief from the automatic stay; it is further

ORDERED that, for the avoidance of doubt, and as provided for in section 552(a) of the Bankruptcy Code, no account receivable, change order, or other right to payment earned or generated by the Debtors after December 13, 2023, shall be subject to any prepetition security interest, lien, or purchase or factoring agreement, except as otherwise provided pursuant to separate order of the Court, and without prejudice to any holder thereof seeking relief under section 552(b) or any other section of the Bankruptcy Code, and including with respect to any replacement lien; it is further

ORDERED that this Order shall not apply in any way to Commerce Construction Company, L.P. or to any dispute between the Debtors and Commerce Construction Company, L.P.; it is further

ORDERED that this Order shall not apply in any way to Bob Moore Construction, Inc., or to any dispute between the Debtors and Bob Moore Construction, Inc.; it is further

ORDERED that this Court shall retain jurisdiction to the maximum extent possible to interpret and enforce this Order, and to enforce all aspects of the Bankruptcy Code, including sections 362(a) and 542(a).
